

# TYPE 2 DIABETES?

**Finally...A Doctor Who Wants To Help You  
Get OFF Your Medications!!!**

"After 5 months I've lost 58 lbs and my doctor has taken me off all my diabetes and blood pressure medications. My blood sugar dropped from 205 to 193 to 85-93. This saved my life!"

- Carl Vann

"In 4 months I went from a size 50 waist to a size 40. I'm completely off insulin, where I was up to 30 units. I was having a lot of pain in my legs and feet, and also numbness in my hands. My eyesight was even blurry. And that is all gone away!"

- Frank McKee

"I joined the program about six weeks ago. I'm now off Januvia and Lipitor. This was the turning point in my life."
